Short Film Competition

2019

Project Theme: The “HUMAN SIDE” of Technology

Produce a short film aligning with the above theme.

Participants are expected to emphasize the following constraints while working on and submitting their project.

Constraints:

1. Main Composition (Film) Length: 2 min – 10 min.
2. Type: Any (i.e. Live Action, Animation, etc.)
3. Production Team: Maximum of 06 members
4. Video Quality: HD 720p or greater
5. Sound Design: Majority of NAT sounds are expected to be recorded and composed by the project team. Evidence must be shown.
6. Proper credits should be given to all used copyrighted materials.
(i.e. audio tracks, 3rd party video clips, etc.)
7. Production Evidence:
 - a. Include 90 Sec making clip / behind the scenes clip at the end of main composition.
 - b. Include production related documents. (i.e. Script, Storyboard, etc.)

Project Submission

1. Projects need to be submitted in a DVD or send the link after uploading into an online drive to the following address: ishara.g@sliit.lk
2. A professional A3 Sized promotional poster of the production.
